

**MAKYBE RISE**

PRIMARY SCHOOL

*An Independent Public School*

*every child every day*

Dear Makybe Rise Families,

This term we have had a focus on non-fiction texts and report writing. Our theme is Australian animals and we have been busy learning all kind of facts about them. We have been learning about their appearance, habitat, diet, life cycle and predators. We would love to extend our learning by getting up close and personal with some real life Australian animals. West Oz Wildlife are going to be bringing in a dingo, koala, python and lizards to meet our students. They will learn about offspring, endangered species, snake safety and much more! The children will all have the opportunity to pat, hold and have photos with the animals.
